About Intandem Films

Intandem Films plc (www.intandemfilms.com) is a London based international film company. It specialises in raising finance for commercial feature films and selling them to distributors around the world. Intandem closely manages the risk associated with the film industry and does not invest in the production of films from its own resources. Its highest profile film to date was How to Lose Friends and Alienate People starring Simon Pegg, Jeff Bridges and Megan Fox, for which Intandem raised the finance and sold the film to distributors such as Paramount, Warners and MGM.
